Review of June 16, 2021 Meeting Minutes

Chairman O'Hara presented the minutes of the Summer Board Meeting.

Director Bumgarner moved, and Director Jones seconded the motion to approve the minutes. The motion passed unanimously.

Department of Agriculture Update

Acting Deputy Director Coccoli reported to the board that the State Grain Lab received a block grant for marketing purposes. He also gave kudos to Executive VP Marn and Sam for all their help with the lab and the committee. Growth through Ag grant funding hit a record with 158 applications and a 7.8 million ask. They would like to be able to fund most of them so they will be requesting more ARPA funding.

Montana Grain Growers Update

Executive Director Vergeront said they had a busy summer with meeting and travel. She said no matter what the convention will be in-person this year, she has no plans for virtual options. She is working on setting up a leadership class for her board and possibly Wheat & Barley.

View from the Trade

Sam Schmidt gave an overview of grain prices. He also commented on bread cost versus wheat costs. There is still a freight struggle and quality struggle.

MSU Update

Darren Boss started the update with saying the university has had an outstanding year, Jason Cook has been selected as the new Spring Wheat breeder, Suchismita Mondal has accepted the position as the new Winter Wheat breeder, and Venugopal Mendu is the new Endowed Chair and will be starting after the first of the year.

Dr. Haynes talked about a new public/private venture called AgriNovis, the program helps recognize research and innovations to stay in state instead of going elsewhere.

Daniel Juliano explained what the Tech Transfer office does and its involvement in the AgriNovis process. Director Jones discussed the origins of the program.

Financial Update

EV President Marn presented the financial including projections for this budget cycle coming up. She also addressed some refunder issues.

Barley Update

Dave Tweet introduced himself to the new board members, his credentials, and his activities over the past few months.

Marketing & Communications Update

Jason introduced himself to the board and what he has been up to. He will be working on marketing information for refunders and consumers, a new mission statement and a good social media presents.

Executive Vice President Update

EV President Marn reported on the crop quality of this year's crop, and the need for the crop survey. She also let them know about some of the new grant applications.

Industry Analyst Update

Sam updated the committee on trade team activity.
