COMMERCIAL FEED LICENSE FORM

The Montana Commercial Feeds Act Section 80-9-201 states "A license is required of a person who manufactures commercial feed in this state; who distributed commercial feed in or into this state; or whose name appears on the label of a commercial feed as a guarantor. A separate license is required for each facility that manufactures commercial feed within this state or for each facility that distributes commercial feed in or into this state."

Make check or money order payable to the Montana Department of Agriculture. Send applications to the address indicated at the top of the licensing form. **Please notify the department if you are not renewing your license.**

All requirements for licensing must be completed and in the Helena office before a license can be processed. Allow up to three weeks for processing. **Incomplete forms will be returned for completion.**

DEFINITIONS:

1. COMMERCIAL FEED - means all materials or combinations of materials that are distributed or intended for distribution for use as feed or for mixing in feed, unless the materials are specifically excluded by law. Unmixed whole seeds and physically altered entire unmixed seeds, when those seeds are not chemically changed or adulterated within the meaning of 80-9-204, are exempt. Also exempt are commodities such as hay, straw, stover, fodder, silage, cobs, husks, hulls, raw meats and individual chemical compounds or substances when those commodities, compounds, or substances are not intermixed with other materials and are not adulterated within the meaning of 80-9-204.
2. GUARANTOR - "means a person whose name and principal mailing address appear on the label and who guarantees the information contained on the label as required by 80-9-202, MCA. The person may or may not also be the manufacturer."
(80-9-101, MCA)
3. PET FOOD - "means any commercial feed prepared and distributed for consumption by pets."
(MCA 80-9-101)
4. SPECIALTY PET FOOD - means any commercial feed prepared and distributed for consumption by specialty pets such as any domesticated animal pet normally maintained in a cage or tank, including but not limited to gerbils, hamsters, canaries, psittacine birds, mynahs, finches, tropical fish, goldfish, snakes, and turtles.
