

Create an Online Account

To renew your license online, you will first need to create an Okta account. You can create your Okta account online at:

<https://okta.loginmt.com/>.

- Sort the images by: Name Ascending.
- Click: AGR-MT Plants tile.
- Go to the bottom of the screen and click: Don't Have an Account.
- Click: Sign in.
 - It will take you to the Create an Account Page.
 - You can now create a Username and Password of your choice.
 - When complete click: Register.
- Complete the questions.
 - This will complete the account; you can change the password if needed.
